Certified Training on Sustainability Reporting using the Global Reporting Initiative's (GRI) G4 Framework

The GRI G4 training programme will enable the participants to become skilled at using the latest GRI G4 framework for developing GRI / CSR / Sustainability Reports. To get conceptual understanding and insights on GRI reporting process, join this detailed and specialised training.

Who is this training for?

Organisations involved in Environmental Health and Safety, Environmental Compliance, Construction, Oil & Gas, Petrochemicals, Hospitality, Transportation, Finance and Accounting, Human Resources, Consultancy Services; Service Sector organisations; Government departments; Non Government Organisations and more...

Your organization has an impact on the environment and society; therefore, grab this opportunity to see how you can contribute to the sustainable development of the country where you have your business.

What will be covered in this training?

1. Prepare: Plan your GRI sustainability reporting
2. Connect: Identify, prioritise and dialogue with your company's stakeholders
3. Define: Focus your efforts by selecting issues for action and reporting
4. Monitor: Build your report by checking processes and monitoring activities
5. Report: Launch your report and prepare for the next cycle
