2020

The 11th edition of the Arabia CSR Best Practice Case Studies compilation contains 12 cases of recognisable best practice and leadership in CSR and sustainability. Collectively, these cases portray the culture and practices that distinguish responsible businesses across the Arab Region. The publication offers a wonderful learning opportunity to business and non-business readers alike to gain in-depth information and insights from each of the cases.

This compilation of case studies has been drafted by Mr. Youshey Zakiuddin and Ms. Sudipa Bose under the supervision of Mrs. Habiba Al Mar'ashi, President & CEO of the Arabia CSR Network.
