Case Studies 2022

The 13th edition of the Arabia CSR Awards Best Practice Case Studies compilation contains 14 cases of recognisable best practice and leadership in CSR and sustainability. Collectively, these cases portray the culture and practices that distinguish responsible businesses across the Arab Region. The publication offers a wonderful learning opportunity to business and non-business readers alike to gain in-depth information and insights from each of the cases.

No part of this publication may be reproduced, stored in a retrieval system, used in a report or spreadsheet, or transmitted in any form or by any means – electronic, mechanical, photocopying, recording, or otherwise – without the approval and consent of the Arabia CSR Network.
