CASE STUDIES

2024

The 15th edition of the Arabia CSR & Sustainability Awards Best Practice Case Studies compilation contains 16 cases of recognisable best practice and leadership in CSR and sustainability. Collectively, these cases portray the culture and practices that distinguish responsible businesses across the Arab Region. The publication offers a wonderful learning opportunity to business and non-business readers alike to gain in-depth information and insights from each of the cases.

The compilation of these Case Studies have been co-authored by Mrs. Habiba Al Mar'ashi - Founder & CEO of Arabia CSR Network and Mr. Loganathan Murthy.
